

TERMS / DISCLAIMER

C'mon now. You knew these were coming at some point. After all, it is a lawyer's website.

GENERAL DISCLAIMER

The materials provided on this website have been prepared by the Law Office of John P. McNeill, P.C. ("JPM PC"). The materials are provided for informational or entertainment purpose only, and are not intended as legal advice. Internet subscribers and online readers should not act upon any of this information without seeking independent legal counsel.

NO ATTORNEY-CLIENT RELATIONSHIP

While JPM PC is glad to hear from you and receive your questions, contacting me or submitting the form on the "Contact" page, or sending any e-mail or other correspondence, does not create an attorney-client relationship between us. **PLEASE DO NOT SEND CONFIDENTIAL INFORMATION UNTIL YOU ARE TOLD TO DO SO.** Initial submissions to JPM PC should not disclose information about a particular matter prompting the inquiry. I cannot become your attorney or represent you unless (a) I know that representing you does not create a conflict of interest with any of my current or former clients, and (b) that we agree to the terms and conditions of our attorney-client relationship by signing a Representation Letter.

The best way for you to initiate a possible representation is to click on the "Contact" tab in the top navigation area of the website and complete the form or [e-mail JPM PC](#) or telephone me at +1-919-522-0068. I can then respond to you and explain the steps that must be followed. If and when we sign a Representation Letter, you will then be my client, and we may then exchange information, including confidential information, that will be protected as part of our attorney-client relationship.

NO GUARANTEE OF RESULTS

Some of the material on this website may describe results obtained in matters handled for JPM PC clients or previous employers. These descriptions are meant only to provide information about my activities and experience. They are not intended as a guarantee that the same or similar results can be obtained in every matter undertaken by me; and you should not assume that a similar result can be obtained in any legal matter of interest to you. The outcome of a particular matter can depend on a variety of factors – including the specific factual and legal circumstances, the ability of opposing counsel, and, often, unexpected developments beyond the control of any client or attorney.

THIRD PARTY INFORMATION DISCLAIMER

As a convenience, this website may provide links to third-party websites. Such linked websites are not under the control of JPM PC. JPM PC does not warrant the accuracy or completeness of any other website which the user may access through this website or which provides links to this website, nor does such a link between the JPM PC website and a third party's website constitute an endorsement or recommendation of such third party's products, services or informational content.

INFORMATION MAY NOT BE CURRENT

While JPM PC tries to update this website on a regular basis, JPM PC does not intend any information on this website to be treated or considered as the most current expression of the law on any given point, and certain legal positions expressed on this website may be, by passage of time or otherwise, superseded or incorrect.
